CONFERENCE CATALYSTS, LLC ANNOUNCES NEW DIRECTOR OF ASSOCIATION MANAGEMENT OPERATIONS

GAINESVILLE, Fla. — Conference Catalysts, LLC, world-class event management, association management, and web & graphic services provider today announced the promotion of Brooke Johnson to the role of Director of Association Management Operations, effective immediately.

As Director of Association Management Operations, Brooke will lead a growing team of Association Managers supporting a robust client portfolio.

The objective of Conference Catalysts is to become true partners with their clients, always predicting their needs and not reacting to them, striving to make clients' lives easier, more enjoyable, and more fulfilling based on the service provided.
